

Senior Picture Requirements & Yearbook Information

All Senior Pictures Due on November 30th, 2020

Class of 2020 and Parents:

1. District policy does not allow for yearbooks to be discounted, so *all yearbooks are \$55* no matter when you purchase it. There is no longer a \$5 discount for orders before Christmas.
2. Yearbooks can be purchased via checks or cash at the KHS Activities Office. However, checks cannot be used to purchase a yearbook during the last 30 days of school. At that point, we go to a cash only policy.
3. You are only able to purchase a yearbook with a debit/credit card if you do it online:

<https://payments.ksd.org/>

4. Due to ASB rules, yearbooks can only be purchased from:

Aug 1st – Sept 30th

Nov 15th – Jan 15th

April 15th - June 15th

The Kennewick School Board adopted Policy #3205 and the administrative regulations that pertain to the senior yearbook portraits. The purpose of the enclosed regulations is to assist you in designing poses that will be acceptable in the yearbooks at Kennewick School District high schools.

Senior pictures are to be in ***digital format*** with a minimum print size of **600 by 900 pixels** (2” by 3”) at 300 dpi. Pictures at higher resolution are acceptable and preferred. Digital pictures must be in **JPEG** or **PNG** format, other formats may be rejected or result in your senior picture not being placed in the yearbook. The yearbook staff reserves the right to crop pictures, if necessary, for proper layout and design considerations.

***Email your senior photos to kennewickyearbook@gmail.com or bring them on a thumb drive (request it to be placed in the yearbook mailbox). If you email a picture, title it with your child’s name (last name, first name).**

DO NOT SEND HARDCOPIES OF PICTURES. All pictures need to be digital (JPEG’s or PNG files). Do not email senior quotes.

******A list will be posted in December of all senior pictures that have been received. All seniors who submit a photo need to check this list to verify that their picture was received.***

POLICY #3205 - Senior Yearbook Portrait

The following guidelines will assist a senior and his/her photographer in submitting an appropriate photograph for the yearbook:

1. The portrait shall be of the graduating senior **only**. Props will be allowed only upon approval from the yearbook advisor. Examples of inappropriate props would be hats, babies, horses, dogs, stuffed animals etc. Students who take a picture with their car need to expect that much of the car will be cropped out in the picture. Each picture needs to focus on students, not on vehicles. **Kennewick High School has a no-hat policy. No hats will be allowed in the portrait section of the yearbook.** Also, appropriate apparel is required. **No cleavage, bras, sagging, or hats!**
2. The picture does not need to be taken by a professional photographer. A student may use a digital camera to take the picture. The picture must be submitted electronically (e-mail or disc).
3. The portrait must be vertical 2x3 dimensions (**portrait only, NO LANDSCAPE**).
4. **IF** a senior chooses a head and shoulder portrait, the head should not exceed 1 ¼' from the chin to the top of the hair.
5. The senior picture **must be a colored picture**; no black and white photos will be accepted in the senior color section.
6. Portraits must be submitted by **November 30th**. The yearbook staff will retain the right to make the final selection of the picture to be published and will notify seniors of any issues, concerns or choices.
